

Pearland Regional Airport Community Wide Safety Seminar

In light of this year's incidents/accidents at or near KLVJ, a group of schools and flight instructors will be discussing spin awareness, personal minimums, helicopter operations, operations/communications at KLVJ. A Q&A session will also be held and Veracity Aviation will be offering discovery flights in a Robinson 22 (for a fee).

Directions: Follow I-45 Gulf Fwy from downtown (southbound)
Exit at Dixie Farm Road, Turn right (west) onto Dixie Farm Rd and follow for 5.5 mi
Turn left onto Hastings Friendswood Rd
Turn right onto Airfield Lane

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
